

Luke Barnard

Designer, CRCI Cabinet and Countertop Services

Luke came to Christian Recovery Center Inc. to escape and defeat the grips of substance abuse, a destructive path that has become all too familiar to families across this country.

Originally from Abingdon, Virginia, Luke found CRCI in August of 2024 only days after arriving in Brunswick County. Six months later he graduated CRCI's in-patient recovery program and has remained affiliated with the ministry through his employment as a designer.

Now equipped with the spiritual tools for a long term recovery, Luke is implementing his skill set towards CRCI Cabinets and Countertops Services. He holds a Bachelors of Science degree from Old Dominion University in Electrical Engineering Technology and has over 18 Years in construction experience.

“Though there are many rewards to a life with recovery there are none greater in all things than to serve others with the presence of our Lord Jesus Christ.”
